Arizona Association for Foster & Adoptive Parents

Reduce Your State Taxes and Expand Opportunities for Foster, Kinship & Adoptive Families!

What is a tax credit?

A tax credit is a dollar-for-dollar reduction in the actual tax amount owed. For example, if you owe $1000 and you donate $500 to a qualified charitable organization, you may subtract the $500 from your tax bill and pay the state just $500. If you anticipate a refund from the state, it would increase by the amount of your contribution, assuming you had that amount withheld. You do not need to itemize!

Who is eligible?

All Arizona taxpayers are eligible to take advantage of this tax credit regardless of whether or not they participate in the foster or adoptive system. If you make a contribution to a Qualified Foster Care Charitable Organization, such as **Arizona Association for Foster & Adoptive Parents (QFCO#10008)**, you can increase the maximum credit amount allowed from **$500** for single and head of household and from **$1000** for married filing jointly.
